

Cruise into Kindergarten Collection

at the Quarryville Library

QUARRYVILLE LIBRARY
For Fun. For Learning. For Everyone.

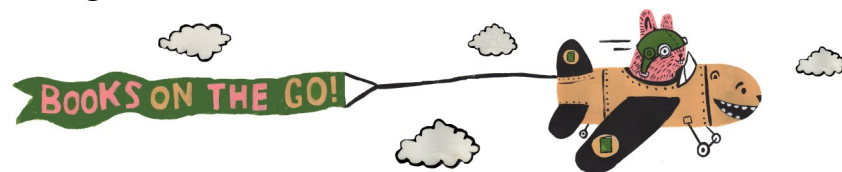

This collection of books and games is based on the Cruise into Kindergarten program, created by the Office of Commonwealth Libraries and an important resource for PA public libraries. Find out more at pacruisetok.org.

Each bag contains the Cruise into Kindergarten introduction information, the topic card (available individually from participating libraries), a game or activity, and a selection of books based on the recommendations on the card.

This collection was made possible because of the support of the Solanco Family Life Network.
