

**Borrow
an iPad,
a computer,
gadgets and more**

If you or someone you know:

- **lives in Pennsylvania and**
- **is a senior citizen, or**
- **has a disability**

TechOWL can help you try out new equipment for free.

Your local TechOWL specialist will:

- **Work with you to select the right device.**
- **Load the software and apps that you need and want.**
- **Support and teach you throughout the process.**

All devices can be borrowed for 4 weeks with an option for longer.

**Don't miss out on important visits with
your doctors, grandchildren and friends, especially during this time.**

**More information about the Assistive Technology Lending Library program
can be found on the TechOWL website:**
