

# Accessible Home Modifications

## We don't just provide home modifications; we provide freedom to live.

At UDS, we understand that accessible housing is vital for the independence of the aging and people with disabilities. We have the experience and expertise to provide home modification solutions that make your home safer and better suited to your needs.

Our experts evaluate needs, provide smart solutions, and supervise every aspect of home modifications for people with disabilities. UDS provides consulting, design, construction services, and the products you need to make your home more accessible. This includes:

- Handicap Ramps
- Door and Hallway Widening
- Accessible Bathrooms
- Accessible Bedrooms
- Automatic Door Openers
- Low-Pile Carpet and Smooth Flooring
- Stairlifts and Porch Lifts
- Ceiling Track Lifts
- Accessible Lighting
- Emergency Exits

## Home Modification Solutions

Every area of your home can be modified to ensure accessibility and convenience. Our local construction experts can help you with the following:

### Accessible Bathrooms

We offer the following accessible bathroom modifications:

- Roll-Under Sinks
- Walk-In Tubs with Bath Seats
- Bathtub Lifts
- Handicapped-Accessible Showers with Seats

- Barrier-Free Shower Doors
- Shower Screens
- Handheld Shower Controls
- Hand Grips
- Grab Bars
- Safety Rails
- Wall-Mounted Sinks
- Non-Slip Surfaces
- Transfer Benches
- Easy-Transfer Toilets
- Wheelchair Turnaround Areas
- Easy Access Storage

## Accessible Bedrooms

We can help you with the accessible bedroom modifications below:

- Built-in Beds and Cabinets
- Bedside Controls
- Direct Bathroom Access
- Wheelchair-Convenient Storage
- Easy-Access Closets
- Reinforced Ceilings for Lifting Equipment

## Stairlifts

Need help going up or down a flight of steps? We can install a stairlift solution that will work in your home. We install indoor and outdoor lifts that can be straight or curved, and we also offer vertical platform lifts. All of our lifts are manufactured by Bruno and Handicare and come with a manufacturer's warranty on parts and a one-year labor warranty.

If you're not sure whether a stairlift is right for you or your loved one, check out the PDF below.

### [7 Items to Consider Before Buying a Stairlift](#)

Call us at (888) 428-0240 to schedule a free in-home stairlift evaluation. You can also download a coupon for your stairlift below.

## Find Financial Assistance

Need [financial assistance](#) to pay for necessary home modifications? Our staff can help you explore your options and eligibility for low-interest loans or government-funded programs. Contact us at (888) 428-0240 for more information.

## Services for Individuals and Contractors

We can help you with nearly every aspect of home accessibility construction projects, including the following.

### Individual Needs Assessment

UDS will help you determine which livability needs can be met through home access modifications, assistive technology, and low-cost standardized solutions.

### Home Evaluation

We can identify zoning, code, condition, and maintenance issues that can affect the design and installation process. This means there are no surprises during the project.

### Access Modification Feasibility Assessment

UDS can evaluate the appropriateness of specific products and modifications, obtain cost estimates, and determine the effect on the home's resale value.

## Get More Information

For more information on Accessible Home Modifications, call (888) 428-0240. We'd be happy to provide you with a home evaluation and no-obligation assessment. You can also email our [Resource Center](#) for assistance.
